ISSUE: SEPTEMBER 2020

NEED A LOADER FOR THE MILLING SEASON?

Which loader would suit your operation best?

Tajfun independent loader
Tractor mounted front loader
Tractorco self-propelled cane loader

TAJFUN CANE LOADER (DOT 50K)

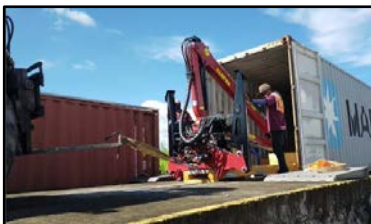

PRICE: 1,156,450.00 – Grab your loader while stocks last!

SPECIFICATION:

- Made in Slovenia, Europe
- 360 degrees rotation for loading
- Grab has its own rotator so each bundle can be exactly positioned onto the truck
- 7.1 meters reach to load biggest truck
- Loads 250kg per grab
- Fit to any tractor above 80hp with standard 3 point linkage
- High capacity PTO driven pump for fast loading
- Totally independent hydraulic system with its own tank, pump oil, oil cooler and controls
- Hydraulic folding legs for total stability on uneven terrain
- High quality welding and manufacture
- Folds compactly for fast transport
- Flexible and affordable

TRACTORCO have just unloaded another batch of **TAJFUN Cane Loaders** in time for the new season. They are especially useful for loading sugarcane, particularly for those who do not have enough *manugtapas* and *manugkarga*.

TRACTORCO SELF-PROPELLED CANE LOADER

SPECIFICATION:

- Lifting capacity 400 - 800kg
- Possibility to load 10 tons truck in less than 10 minutes
- Base unit Massey Ferguson 699 4WD fully reconditioned 100 horsepower Perkins engine which is proven fuel efficient and reliable
- Boom turns 360 degrees so it can load on both sides
- Wide twin wheels which allow it to work on slopes and in wet Philippine conditions without causing compaction to the soil or loss of stability
- Can be adapted to lift logs or cane trash with a different type of grab fitted

- Front tire size 16.9 x 38, new - Rear tire size 13.6 x 28, new
